A man with a tattoo on his right arm and a watch on his left wrist is seen from the chest up, looking out of a boat's windshield. He is wearing a dark blue polo shirt with a crest on the sleeve and blue jeans. The boat's interior is visible, including the steering wheel and dashboard. Outside, a large white ship is visible on the water under a clear blue sky. The entire image has a strong blue color cast.

Nødvendige avklaringer

A large offshore supply vessel, likely a Norwegian supply ship, is shown from a rear-quarter perspective, sailing on the ocean. The ship has a white superstructure with multiple decks and antennas, and a dark hull. The sun is setting on the horizon, creating a warm orange and yellow glow that reflects on the water. Several other smaller ships are visible in the distance. The sky is a mix of blue and orange, with scattered clouds.
